TROLL THOUGHTS

Why not jazz up your Orky banner poles or Chaos Space Marine trophy racks using Space Marine shoulder pads and helmets?

Why not convert an Imperial Missionary to lead your Empire Flagellant unit?

Why not use Legion of the Damned shoulder pads as Chaos Space Marine Veteran shoulder pads?

Why not try putting the Earthshaker cannon from an Imperial Basilisk kit into the observation post in your Imperial Command bunker?

Da Troll finks...

This month's TROLL includes the new Blood Angels Baal Predator variant, heroic Blood Angels special characters, the deadly Dark Eldar Talos and stacks of other stuff as well.

TROLL 13, it's better than toothache!

SPACE MARINES®

The release of the Blood Angels Death Company last month may have left you wondering who to put in charge of these damned warriors. Thankfully, Mike McVey has provided the answer with Chaplain Lemartes...
